Abstract Submission Guidelines

***Submission Deadline Extension
15 July 2019***

Theme: A Decade of regulatory harmonization in Africa: Where are we? Where do we go from here?

- Abstracts should be submitted responding to conference sub-themes.
- Abstracts must be written in English and/or French.
- Abstracts submitted in a different language will not be considered and the organizers will not be held responsible for not considering any such abstracts.
- Abstracts must be submitted in Word format, must meet the word number (between 250 and not more than 300 words) and font size requirements (Arial 11.5).
- The deadline for submitting abstracts is 15 July, 2019. Abstracts that are submitted after the submission deadline will not be considered and the organizers will not be held responsible for any such late submissions.
- Submission of abstracts should be made online
- The organizing committee will review all abstracts received and inform the applicants whether or not the application has been selected. Successful applicants will be required to submit full papers.
- Submitted abstracts that are accepted may be published by the conference organizers in a Book of Abstracts or in other publications and reference will be made to the source of the abstracts.
- Due to the limited time available for oral presentations during the conference, some of the abstracts may only be accepted for poster presentation.
- The organizing committee will issue conditional acceptance to selected authors for either oral or poster presentation and a request will be made to register for the conference
