### Agenda 2063

Capacity of National Planners was strengthened in reporting on the first Agenda 2063 Country Progress Report.

### Strengthening Africa Medical Health Regulation

- » Domestication of AU Model Law on Medical Products to improve access to safe and high-quality medicines.
- » 28 countries including Angola are at different stages towards domesticating the AU Model Law on Medical Products to improve access to safe and high-quality medicines.

### Inclusion of indigenous food in Africa's nutritious food basket

A knowledge compendium of integrated best practices and approaches for inclusion of indigenous food in Africa's nutritious food basket was developed from 12 countries including Angola.

### Elaborating Scope and Baseline

- » A detailed appraisal of national and regional industrialisation policies and plans.
- » 33 national and four regional industrialisation policies/plans in COMESA, SADC, EAC and ECOWAS were appraised.

### Agriculture System Improvement

- » Enhancing the development and implementation of National Agriculture and Investment Plans (NAIPS) to fast-track modernisation and productivity of Agriculture.
- » Enabled seven countries including Angola to undertake a country scoping analysis and held country-level stakeholders dialogues to develop and implement NAIPs.
- » Implementation support of NAIPs was provided to Angola.
