Agenda 2063

Benin is among 31 African countries to have shared their first national progress report on Agenda 2063's first Ten-Year Implementation Plan. The first-ever continental report assesses progress made at the national, regional and continental levels towards achieving Africa's developmental goals. The report was launched at the 2020 January AU Summit by President of Côte d'Ivoire, Alassane Ouattara.

Elaborating Scope and Baseline

- » A detailed appraisal of national and regional industrialisation policies and plans.
- » 33 national and four regional industrialisation policies/plans in COMESA, SADC, EAC and ECOWAS were appraised.

Enhanced Use of Country Results Framework (CRFs)

- » Support for strengthened domestic resource mobilisation and effective public finance management.
- » Undertook assessments of national development finance flows and taxes towards the development of integrated financing strategies and plans.

Grow Africa

- » Boosting private sector participation in Africa's agricultural transformation.
- » Support was provided towards the establishment of country agribusiness partnership frameworks (CAP-F) in 11 countries, including Benin.
- » CAP-Fs were operationalised and potential investors for the agricultural sector were identified in Benin.

Integrated Vector Management

- » Curbing vector-borne diseases such as malaria and dengue fever.
- » Developed harmonised guidelines and other regulatory tools for regional collaboration among Member States in West Africa to regulate vector control. The efforts resulted in assisted- and joint evaluations of vector control tools.

Job creation toolkit for infrastructure projects

The PIDA job creation toolkit was launched. The toolkit estimates, amongst others, direct, indirect and induced jobs in job years during the preparation, construction and O&M phase.

Move Africa

- » Addressing challenges pertaining to transboundary trade and logistical challenges.
- » Focus was placed on creating synergies between RECs in the roll-out of the Traffic Light System (TLS), which is a benchmarking tool to

measure performance of joint and one-stop border posts. To-date, the TLS has been rolled out in select countries in ECOWAS, one of which is Benin.

Policy and regulatory frameworks for PIDA projects

- » 21 countries, including Benin, were trained on water governance and international law with regards to transboundary waters in Africa.
- » The status of cyber security was assessed in 13 countries, including Benin.

Presidential Infrastructure Champion Initiative (PICl)

To-date, 12 African Heads of State and Government (including the Head of State of Benin) are championing cross-border infrastructure projects. Membership is increasing over time, reflecting the unequivocal commitment of African leaders to significantly upscale infrastructure across the continent.

Skills Initiative for Africa (SIFA)

- » Empowerment and skills development for youth.
- » National action plans for rural youth employment and entrepreneurship were developed and validated in Benin.

Strengthening Africa Medical Health Regulation

- » Domestication of AU Model Law on Medical Products to improve access to safe and high quality medicines.
- » 28 countries, including Benin, are at different stages towards domesticating the AU Model Law on Medical Products. 14 Member States are implementing the Model Law.

Sustainable Land Management

- » Nature-based solutions for development and implementation of the African Forest Landscape Restoration Initiative.
- » 26 Countries, including Benin, pledged to restore 125 million hectares to reduce land degradation and desertification; create sustainable jobs; and improve food security and resilient communities.

Vocational and Entrepreneurship

- » Training for women and youth employment.
- » Supported the integration and alignment of technical and vocational education and training (TVET) into national qualification frameworks in 15 countries, including Benin.
- » Strengthened capacities of 12 CAADP ATVET countries, one of which is Benin.
- » A toolkit on "Private Sector Engagement in ATVET" was developed.
- » ATVET for Women is in full operation in Benin.
- » An index on women's empowerment in agriculture was developed to determine the impact of ATVET interventions, which was piloted and administered in Benin.

Benin on Implementation of Agenda 2063

Performance Assessment

Areas where significant progress has been made

Areas where progress has been slow

Areas of Support to Accelerate implementation of Agenda 2063

- Improving enrollment in basic and secondary school education
- Increasing the contribution of tourism to the national GDP
- Reducing the incidence of malaria
- Increasing the contribution of the fisheries sector to the GDP
- Strengthening the statistics, monitoring and evaluation systems
- Increasing the proportion of resources mobilisation raised through innovative financing mechanisms in the national budget

Performance on Goals
