### Agenda 2063

Chad is among 31 African countries to have shared their first national progress report on Agenda 2063's first Ten-Year Implementation Plan. The first-ever continental report assesses progress made at the national, regional and continental levels towards achieving Africa's developmental goals. The report was launched at the 2020 January AU Summit by President of Côte d'Ivoire, Alassane Ouattara.

### Initiative for Food and Nutrition Security in Africa (IFNA)

- » Strengthening maternal and child feeding.
- » 12 participating countries, including Chad, have finalised and validated national nutrition action plans

### Launch of Integrated Irrigation and Agri-Industry Initiative

16 countries, including Chad, will be supported to operationalise programmes at field level. The initiative aims to foster public-private collaboration along the agriculture and food systems value chain.

### Policy and regulatory frameworks for PIDA projects

The status of cyber security was assessed in 13 countries, including Chad.

### Renewable Energy

High-impact micro-grid projects in 11 countries, including Chad, were identified where energy accessibility is the lowest.

### Sustainable Land Management

26 Countries, including Chad, pledged to restore 125 million hectares to reduce land degradation and desertification; create sustainable jobs; and improve food security and resilient communities.

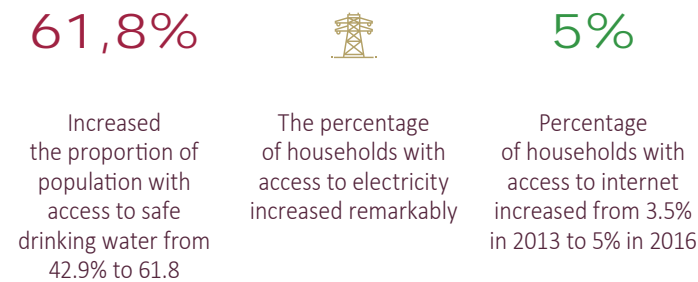

# Chad on Implementation of Agenda 2063

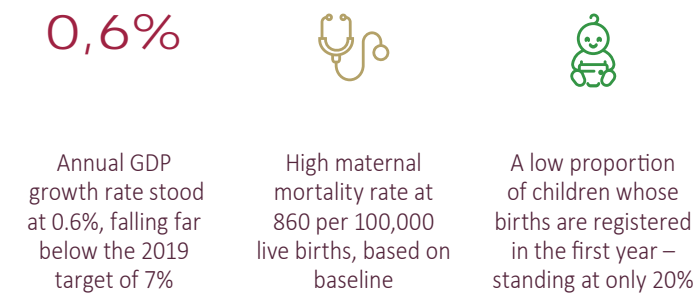

## Performance Assessment

### Areas where significant progress has been made

### Areas where progress has been slow

### Areas of Support to Accelerate implementation of Agenda 2063

- Strengthening capacities in statistics, data management, monitoring and reporting;
- Strengthening institutions and promoting good governance;
- Promoting measures, such as manufacturing, that boost GDP growth rates and increase the country's Gross National Income;
- Eliminating barriers to quality education, health and social services for women and girls.
