## Agenda 2063

Côte d'Ivoire is among 31 African countries to have shared their first national progress report on Agenda 2063's first Ten-Year Implementation Plan. The first-ever continental report assesses progress made at the national, regional and continental levels towards achieving Africa's developmental goals. The report was launched at the 2020 January AU Summit by President of Côte d'Ivoire, Alassane Ouattara.

## Grow Africa

- » Boosting private sector participation in Africa's agricultural transformation.
- » Companies from Grow Africa's Investment Pipeline signed Term Sheets with the governments a number of AU Member States, including Côte d'Ivoire. This led to a connection with value chain partners (producers, processors, policy makers and supply chain financiers). The investments range from dairy, horticulture and cocoa to macadamia, and will create an estimated 3,000 jobs and integrate over 1,000 farmers into commercial value chains over the next five years.

## Integrated Vector Management

- » Curbing vector-borne diseases such as malaria and dengue fever.
- » Developed harmonised guidelines and other regulatory tools for regional collaboration among Member States in West Africa to regulate vector control. The efforts resulted in assisted- and joint evaluations of vector control tools.

## Home Grown School Feeding

- » Fight against malnutrition in schools through community-driven nutrition driven food supply.
- » 15 countries, including Côte d'Ivoire, are implementing the Home-Grown School Feeding Programme.

## Strengthening African Medical Health Regulation

- » Domestication of AU Model Law on Medical Products.
- » 28 countries, including Côte d'Ivoire, are at different stages towards domesticating the AU Model Law on Medical Products.
- » 14 Member States are implementing the Model Law.

## Launch of Integrated Irrigation and Agri-Industry Initiative

16 countries, including Côte d'Ivoire, will be supported to operationalise programmes at field level. The initiative aims to foster public-private collaboration along the agriculture and food systems value chain.

## Elaborating Scope and Baseline

- » A detailed appraisal of national and regional industrialisation policies and plans.
- » 33 national and four regional industrialisation policies/plans in COMESA, SADC, EAC and ECOWAS (including Côte d'Ivoire) were appraised. The report will be launched in 2020.

## Corridor investment plans for Programme for Infrastructure Development (PIDA)

A corridor development investment plan (CDIP) and marketing plan were drafted to develop and implement selected PIDA priority projects in Transport, Energy, Transboundary Water, and Telecommunication and IT.

## Job creation toolkit for infrastructure projects

The PIDA job creation toolkit was launched. The toolkit estimates, amongst others, direct, indirect and induced jobs in job years during the preparation, construction and O&M phase.

## Presidential Infrastructure Champion Initiative (PICI)

To-date, 12 African Heads of State and Government (including the Head of State of Côte d'Ivoire) are championing cross-border infrastructure projects. Membership is increasing over time, reflecting the unequivocal commitment of African leaders to significantly upscale infrastructure across the continent.

## Sustainable Land Management

26 Countries, including Côte d'Ivoire, pledged to restore 125 million hectares to reduce land degradation and desertification; create sustainable jobs; and improve food security and resilient communities.

# Côte d'Ivoire on Implementation of Agenda 2063

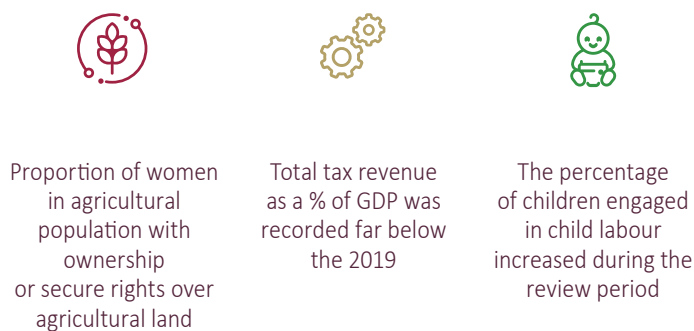

## Performance Assessment

## Areas where significant progress has been made

## Areas where progress has been slow

## Areas of Support to Accelerate implementation of Agenda 2063

- Measures that will enhance the general public's confidence in elections – perceiving the elections as free, fair and transparent
- Strengthening mechanisms and oversight institutions for holding leaders accountable
- Improving freedom of press and freedom of speech
- Increasing the percentage of terrestrial and inland water areas that are preserved
