Ethiopia on Implementation of Agenda 2063

Performance Assessment

Areas where significant progress has been made

Areas where progress has been slow

Areas of Support to Accelerate implementation of Agenda 2063

- Increasing agriculture production and productivity;
- Fighting the incidence of TB;
- Increasing employment rates, especially among the youth;
- Reducing the prevalence of underweight among children under 5;
- Increasing pre-school and secondary school enrolment rates;
- Increasing capacity to generate domestic resources through an effective tax system.
