Agenda 2063

Liberia is among 31 African countries to have shared their first national progress report on Agenda 2063's first Ten-Year Implementation Plan. The first-ever continental report assesses progress made at the national, regional and continental levels towards achieving Africa's developmental goals. The report was launched at the 2020 January AU Summit by President of Côte d'Ivoire, Alassane Ouattara.

Integrated Vector Management

» Curbing vector-borne diseases such as malaria and dengue fever.
» Developed harmonised guidelines and other regulatory tools for regional collaboration among Member States in West Africa to regulate vector control. The efforts resulted in assisted- and joint evaluations of vector control tools.

Corridor investment plans for Programme for Infrastructure Development (PIDA)

A corridor development investment plan (CDIP) and marketing plan were drafted to develop and implement selected PIDA priority projects in Transport, Energy, Transboundary Water, and Telecommunication and IT.

Job creation toolkit for infrastructure projects

The PIDA job creation toolkit was launched. The toolkit estimates, amongst others, direct, indirect and induced jobs in job years during the preparation, construction and O&M phase.

Elaborating Scope and Baseline

» A detailed appraisal of national and regional industrialisation policies and plans.
» 33 national and four regional industrialisation policies/plans in COMESA, SADC, EAC and ECOWAS (including Liberia) were appraised. The report will be launched in 2020.
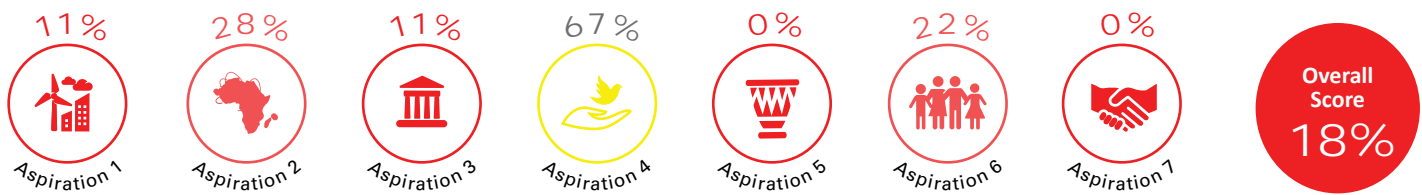

Sustainable Land Management

26 Countries, including Liberia, pledged to restore 125 million hectares to reduce land degradation and desertification; create sustainable jobs; and improve food security and resilient communities.
