Agenda 2063

Namibia is among 31 African countries to have shared their first national progress report on Agenda 2063's first Ten-Year Implementation Plan. The first-ever continental report assesses progress made at the national, regional and continental levels towards achieving Africa's developmental goals. The report was launched at the 2020 January AU Summit by President of Côte d'Ivoire, Alassane Ouattara.

Elaborating Scope and Baseline

- » A detailed appraisal of national and regional industrialisation policies and plans.
- » 33 national and four regional industrialisation policies/plans in COMESA, SADC, EAC and ECOWAS (including Mozambique) were appraised. The report will be launched in 2020.

Eradication of TB and prevention of occupational lung diseases in vulnerable population

A total of 11 occupational health service centres providing TB screening and diagnosis services, HIV testing; silicosis screening and diagnosis; and links of ex-mine workers to compensation funds are now operational in eight countries, one of which is in Namibia.

Inclusion of indigenous food in Africa's nutritious food basket

A knowledge compendium of integrated best practices and approaches for inclusion of indigenous food in Africa's nutritious food basket was developed from 12 countries, including Namibia.

Strengthening Africa Medical Health Regulation

- » Domestication of AU Model Law on Medical Products to improve access to safe and high quality medicines.
- » 28 countries, including Namibia, are at different stages towards domesticating the AU Model Law on Medical Products. 14 Member States are implementing the Model Law.
- » 160 medical products were successfully registered through a collaborative medicine's registration process between Southern African countries, including Namibia, Zambia and Zimbabwe, named ZAZIBONA.

Vocational and Entrepreneurship

- » Training for women and youth employment.
- » Strengthened capacities of 12 CAADP ATVET countries, one of which is Namibia.
- » A toolkit on "Private Sector Engagement in ATVET" was developed.

Presidential Infrastructure Champion Initiative (PICI)

To-date, 12 African Heads of State and Government (including the Head of State of Namibia) are championing cross-border infrastructure projects.

Agriculture System Improvement

- » Enhancing the development and implementation of National Agriculture and Investment Plans (NAIPs) to fast-track modernisation and productivity of Agriculture.
- » Enabled seven countries, including Namibia, to undertake a country scoping analysis and held country-level stakeholders dialogues to develop and implement NAIPs.
- » Implementation support of NAIPs was provided to Namibia.

Namibia on Implementation of Agenda 2063

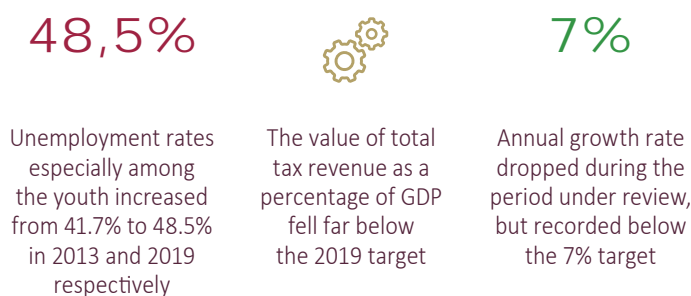

Performance Assessment

Areas where significant progress has been made

Areas where progress has been slow

Areas of Support to Accelerate implementation of Agenda 2063

- Strengthening mechanisms and oversight institutions for accountability
- Increasing the proportion of public sector budget that is funded by national capital markets
- Putting in place measures that will improve freedom of expression and the press
- Enrolment rates at pre-primary, primary and secondary school
