Agenda 2063

South Africa is among 31 African countries to have shared their first national progress report on Agenda 2063's first Ten-Year Implementation Plan. The first-ever continental report assesses progress made at the national, regional and continental levels towards achieving Africa's developmental goals. The report was launched at the 2020 January AU Summit by President of Côte d'Ivoire, Alassane Ouattara.

Elaborating Scope and Baseline

- » A detailed appraisal of national and regional industrialisation policies and plans.
- » 33 national and four regional industrialisation policies/plans in COMESA, SADC, EAC and ECOWAS (including South Africa) were appraised. The report will be launched in 2020.

Inclusion of indigenous food in Africa's nutritious food basket

A knowledge compendium of integrated best practices and approaches for inclusion of indigenous food in Africa's nutritious food basket was developed from 12 countries, including South Africa.

Eradication of TB and prevention of occupational lung diseases in vulnerable population

Cross-border disease surveillance zones (e.g. on cholera, foot and mouth disease, leptospirosis and rabies suspected outbreak) were established to support surveillance along the shared borders of a Southern African countries, including South Africa.

Skills Initiative for Africa (SIFA)

- » Empowerment and skills development for youth.
- » The SIFA Programme is operating in seven countries, including South Africa.
- » A financing facility was launched in five phase one countries, one of which is South Africa.

Strengthening Africa Medical Health Regulation

- » Domestication of AU Model Law on Medical Products to improve access to safe and high quality medicines.
- » 28 countries, including South Africa, are at different stages towards domesticating the AU Model Law on Medical Products. 14 Member States are implementing the Model Law.

Vocational and Entrepreneurship

- » Training for women and youth employment.
- » Supported the integration and alignment of technical and vocational education and training (TVET) into national qualification frameworks in 15 countries, including South Africa.
- » A toolkit on "Private Sector Engagement in ATVET" was developed.

Policy and regulatory frameworks for PIDA projects

21 countries, including South Africa, were trained on water governance and international law with regards to transboundary waters in Africa.

Job creation toolkit for infrastructure projects

The PIDA job creation toolkit was launched. The toolkit estimates, amongst others, direct, indirect and induced jobs in job years during the preparation, construction and O&M phase.

Presidential Infrastructure Champion Initiative (PICI)

To-date, 12 African Heads of State and Government (including the Head of State of South Africa) are championing cross-border infrastructure projects. Membership is increasing over time, reflecting the unequivocal commitment of African leaders to significantly upscale infrastructure across the continent.

Climate Change Responses

Technical and financial support was provided to the African Ministerial Conference on the Environment (AMCEN) in convening the 17th Ordinary Session of AMCEN, which was held in Durban, South Africa.

Sustainable Land Management

26 Countries, including South Africa, pledged to restore 125 million hectares to reduce land degradation and desertification; create sustainable jobs; and improve food security and resilient communities.

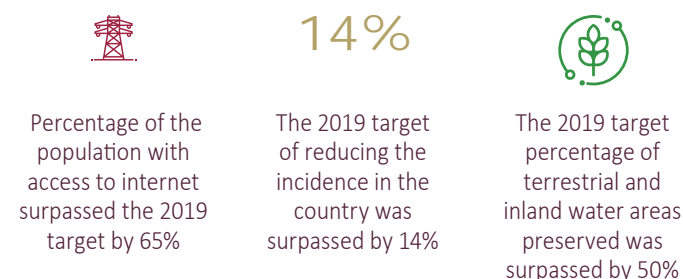

South Africa on Implementation of Agenda 2063

Performance Assessment

Areas where significant progress has been made

Performance on Goals
