1. NATURAL RESOURCES GOVERNANCE AND FOOD SECURITY

Comprehensive Africa Agriculture Development Programme (CAADP)

CAADP Compact: Mauritius signed the CAADP Compact on 23 July 2015, bringing the total number of countries with CAADP Compacts to 44.

Capacity Building: Support to Mauritius on subsequent stages of the CAADP Roundtable is ongoing. Roundtable discussions are important platforms for various high-level and local actors in the agriculture sector to share experiences on CAADP implementation.

2. REGIONAL INTEGRATION, INFRASTRUCTURE AND TRADE

Presidential Infrastructure Champion Initiative (PICI)

Unblocking Political Bottlenecks for ICT Broadband and optic fibre Projects Linking Neighbouring States: The project uses political gravitas and goodwill to unblock and facilitate political bottlenecks affecting the implementation of ICT broadband and optic fibre projects on the continent.

Programme for Infrastructure Development in Africa (PIDA)

TAH programme: This is phase I of the continental connectivity programme that focuses on completion and standardisation of the TAH missing links by 2030.

Single African Sky phase 1 (design and initial implementation): Single African Sky is a continental programme that will create a high-level, satellite-based air navigation system for the African continent.

Yamoussoukro Decision implementation: Purposed at accelerating the Yamoussoukro Decision implementation by identifying countries that are ready to fully implement it, and discussing and agreeing with both their governments and airlines to launch the voluntary club on a full membership basis.

ICT Enabling Environment: This programme aims to improve the environment for the private sectors to invest in high-speed broadband infrastructure

ICT Terrestrial for Connectivity: This programme has two main components: a) secure each country connection by at least two broadband infrastructure; and b) ensure access to submarine

cable to all landlocked countries. Kenya is one of the participating countries

Internet Exchange Point (IXP) programme: The aim of this programme is to provide Africa with adequate internet node exchange to maximise internal traffic.

3. INDUSTRIALISATION, SCIENCE, TECHNOLOGY AND INNOVATION

African Medicines Regulatory Harmonisation (AMRH)

A critical AU Model Law aimed at harmonizing medical products regulatory systems in Africa was endorsed by African Heads of State and Government at the January 2016 AU Summit in Addis Ababa, Ethiopia. The AU Model Law will contribute towards accelerate the regulation of safe, quality and affordable medical products and technologies in Mauritius.

African Science Technology and Innovation Indicators (ASTII)

ASTI has captured comprehensive information on STI and consequently built in-country capacity to collect, analyse & publish data and information on research & development (R&D) and Innovation.

4. SKILLS AND EMPLOYMENT FOR YOUTH

Capacity Development

Advocacy support and strengthening of negotiation capacities of African countries on Post-2015 Development Agenda through the Common African Position (CAP). Subsequently, Africa's development priorities were mirrored in the new SDGs.
